Agencies with a colored box reflect the most recent grant recipients in our communities. Grant recipients are chosen through a competitive grant process. Designated dollars are separate and in addition to any grant dollars an agency receives from United Way.

### Basic Needs

■ **Family Supports (All Counties):** Providing crisis assistance to help stabilize individuals and families. Basic Needs support is the foundation of United Way's work.

### Community Impact Areas

■ **Childhood Success (All Counties):** Getting children and their families/caregivers off to the best possible start.

■ **Family Success (SN, JA, JF Counties):** Removing barriers to financial stability and economic mobility for teens and adults.

■ **Racial Equity Community Building (DG County):** Providing support for organizations or individuals whose work benefits people with low incomes, communities of color, and historically and/or systematically marginalized people.

## Increase Your Impact with Designation *PLUS*

### Looking to maximize your impact?

In addition to designating a gift to your favorite agency, consider adding (if you haven't already) a designation to the Impact Area associated with that agency (or the Community Impact Fund).

For instance, in addition to a \$50 gift to the Topeka Rescue Mission, consider a \$50 designation to UWKV's Family Success Impact Area. This ensures that UWKV can provide the strategic collaboration and resources to support the Rescue Mission in their work.

## Thank you for making an impact in your community!
